

Brother and Sister A.G. Etterman taught that as a child of God you must be saved, sanctified and then seek to be filled with the Holy Ghost.

Today the Church neither seeks it nor teaches that you must have it to be in Gods will. Unfortunately, the Church of God seeks wealth and prosperity, if the Church would seek God as much as wealth many would be filled with the Holy Ghost and have gifts of the bible.

The Church of God will not be blessed and receive all that God has for it until we all become in one mind and one accord, all teaching the same Bible Doctrine as stated in Acts chapter two. Brother and Sister A.G. Etterman taught this same Doctrine why don't we? Apostle Paul said follow me as I follow Christ so if I don't' like it nor teach this same Doctrine why follow me.

We in the Church say that women can't teach young people, well I was raised in the Church and Brother and Sister A.G. Etterman never taught this Doctrine. What they did teach was that women could not teach or usurp authority over a man. However, just as God worked through Sister A.G.Etterman it was God and not her and

we had better take heed. God said use the pattern that He gave and quit changing the ordinances of God.

God has not changed and how Brother and Sister A.G. Etterman left this why isn't it still like he left it.

God said in Acts the sixth chapter seek ye out seven men full of the Holy Ghost and put them over the Church business. My question is why are women doing the finance business of the Church when God said men. You don't let women teach kids but they run the Banking and the men let it be done.

Brother and Sister A.G. Etterman said no, God said no and it is no! It means something to stand on God's word. We are either going to obey God or Man. As long as man learns us biblically we must obey But God said in 2nd John verses seven through eleven how we are to require those who bring a different Doctrine why don't you begin to obey God.

Also the Bible says in Galatians Chapter one verses eight through twelve tells us how we are to receive those who try and change the Doctrine that we have received from

Brother and Sister A.G. Etterman, if it's different I don't care who it is don't accept it.

The word of God says to the Ministers of God how that we are inexcusable for not preaching and upholding Gods just Doctrine.

Ministers, read in Ezekiel chapter eight and nine what God will do for not standing for what is right. God has not changed neither is there anything new under the Heavens.

Also, in Ezekiel chapter twenty two verses twenty three through verse twenty nine will show you what God Thinks. All of God ordinances are being broke. Read the Doctrine and ask yourself why we aren't following it.

God says one wife but because it is so and so we change the word of God, well I don't care. God is still no respecter of persons. Then why are we.

Many who were raised in the Church know the truth then why don't we back the Doctrine that was delivered unto us.

Gain the Bible says is not godliness but Godliness with contentment is great gain. If you are a minister or a

congregational you must stand upon the original Bible Doctrine brought to us by Brother and Sister A.G. Etterman and preach that gospel, no it won't be popular nor will you win many friends but it will get you to Heaven and also those that hear you.

There will be more to come as God gives it to me. We must as God said in Jeremiah the sixth chapter and verse sixteen seek the old paths and until we do it God will be unhappy with his people.

Remember it is the job of every Minister to keep sin and wrong doing out of Gods Church.

It's time to start obeying the law of God and all of the Doctrine taught by Brother and Sister A.G. Etterman.

Please let us know if you like the old time Gospel.
